Bold Park Guided Walks

Experience Bold Park's unique bushland with a Friends of Bold Park Bushland Guide.

Photo: J Crandell

Did You Know?

Bold Park is an extensive area of natural bushland located at City Beach, managed by the Botanic Gardens & Parks Authority. One of the largest areas of bushland on the swan coastal plain, a visit to Bold Park offers a unique opportunity to enjoy a free guided bushwalk close to the city.

Highlights

Join our Volunteer Guides and discover seasonal wildflowers and native wildlife while learning about the park's fascinating history and geology. The walks meander through towering tuart woodlands and diverse limestone heathlands with spectacular city and coastal views from Reabold Hill or one of the many vantage points.

Walk Details

Walks vary seasonally, last for 90 minutes and require a moderate level of fitness. Special walks are available on request. For further information visit the website or phone (08) 9480 3996 .
