Did you know?

Bold Park’s vision is to be identified as a world-recognised urban wilderness enjoyed, studied and managed with the community.

In 1936 Bold Park was established as a place “...for the people of Perth” (Perth City Council, 1936). It was named after William E. Bold, the longest serving Town Clerk of the City of Perth from 1900 to 1944.

Bold Park was declared an A-class reserve in 1998 for its high conservation, landscape and recreation values. The Botanic Gardens and Parks Authority is working towards restoring the park through effective bushland management involving research, restoration and weed control.

Covering 437 hectares, Bold Park is one of the largest remaining bushland remnants in the urban area of the Swan Coastal Plain.

Flora and Fauna

Banksia and Tuart woodland covers most of the park with outcrops of species rich Limestone Heath and Flood Gum Wetland around Camel Lake. The vast variation in topography and aspect leads to a complexity in habitats supporting over 1000 native species of flora, fauna and fungi.

Please help us...

- **Dogs** – please ensure they are held on a lead at all times. Remove your dog’s waste from the park.
- **Litter** – please carry out whatever you bring into the park.
- **Walkers** – please keep to designated walking trails.
- **Horse riders** – please keep to the designated bridle trail.
- **Cycles** – cycling is only permitted on Scenic Drive and uphill on Scenic Walk.
- **Vehicles** – no access beyond designated car parks.
- **All flora, fungi and fauna are protected** – please leave them for others to enjoy.
- **Facilities** – nearest public toilets and water fountains are at Perry Lakes Reserve.

In case of emergency please call 000.

Highlights for your visit

Walking Trails

With over fifteen kilometres of walking trails and ten different lookouts with expansive city and coastal views, Bold Park offers you a very memorable experience any time of the year. Why not visit the park early one morning to experience the bushland alive with birdlife? Or visit at dusk to discover bats and possums? Bold Park also boasts a spectacular array of wildflowers for you to enjoy throughout the year, particularly in spring.

Camel Lake Heritage Trail

Come and enjoy a relaxing stroll along the Camel Lake Heritage Trail. The Heritage and Habitats brochure along with interpretive signage placed along the trail provides you with the opportunity to learn about the history, flora and fauna of the area.

Reabold Hill

Be amazed by the spectacular views of Perth when you visit Reabold Hill. Designed for universal access, the raised boardwalk offers a unique bushland experience en route to the highest natural point on the metropolitan coastal plain. At 85 metres above sea level, you can see the Indian Ocean, Perth city, Rottnest Island, Kings Park and Botanic Garden, and even glimpses of the Swan River.

Please note that vehicle access to Reabold Hill is closed at night.
