KINGS PARK AND BOTANIC GARDEN

This 406 hectare park in the heart of our urban landscape has much to offer its millions of visitors. It is home to the Western Australian Botanic Garden, tranquil parklands and most predominantly, 300 ha of protected urban bushland. Kings Park offers panoramic views of the city and the Swan River and houses many memorials and public artworks. There are several cafes, picnic BBQ areas and playgrounds throughout the park for visitors to enjoy.
